Welcome Address

Newer concepts in Rheumatic Heart Disease

Speaker: Prof. S. Sandhyamani

Moderator: Dr. K. M. Cherian

Congenitally Corrected Transposition of
Great Arteries

Speaker: Prof. Jaya R. Deshpande

Moderator: Dr. R. Subramanyan

Tea break

Transposition of Great Arteries

Speaker: Dr. Gayathri Amonkar

Moderator: Dr. Ravi Agarwal

Interesting Case/Specimen Demonstration
& Discussion

Lunch break

Cardiac lesions in Leptospirosis

Speaker: Dr. Pradeep Vaideeswar

Moderator: Dr. R. Premsekar

Inflammatory lesions of aorta and Aneurysms
- Newer Concepts

Speaker: Dr. Jaya R. Deshpande

Moderator: Dr. Prashanth Vaijyanath

Tea Break

Pathology of plaque in Coronary Artery
Disease and Aortic Valve changes in
Atherosclerosis

Speaker : Dr. Gayathri Amonkar

**Moderators: Dr. Soma Guhathakurta
& Dr. Pramod Jaiswal**

Interesting Case/Specimen Demonstration
& Discussion

By FLL team and speakers

About Us....

Frontier Lifeline and the Dr. K.M. Cherian Heart Foundation is an International Centre for Cardiology and Cardiothoracic Surgery, established in 2004 by Dr. K.M. Cherian, a respected pioneer in cardiac surgery, in Chennai. Within a short span of time, this institute has gained worldwide recognition for timely treatment of cardiac diseases.

Frontier Lifeline promotes a strong academic tradition of imparting knowledge. This is seen through the various scientific sessions such as CMEs, workshops, symposiums, guest lectures and various teaching and training programmes, which are regularly being conducted at Frontier Lifeline and its cardiac network hospitals since inception.

During the first introductory CME program conducted in November 2007, the topics covered were Congenital Atrio-ventricular valve regurgitation; Double Outlet Right Ventricle and Left Ventricular Outflow Tract Obstruction. It turned out to be a good teaching programme for registrars and also interactive with specimen demonstration by Dr. Richard Hawker (*Pediatric Cardiologist, Royal Alexandria Children's Hospital, Sydney*). Prof. Jaya R. Despande and Dr. Pradeep Vaitheeswar contributed invaluable to the academic caliber of the program.

Trainees from the field of Cardiology, Cardiothoracic Surgery and Pathology who attended this program found it very educative and useful, thus spurring us to offer this 2nd Cardiac Pathology CME. We re-welcome them to benefit from this programme and make it highly interactive and stimulating.
