Frontier Lifeline
 (Dr.K.M.Cherian Heart Foundation)

Dear Friends,

Greetings from Frontier Lifeline

Knowledge of Echocardiography has become essential for all practitioners. With this view in mind, we plan to conduct the 5th training programme on "Basics in Echocardiography" for a week, from 1st June to 6th June 2009. The essential features of this programme include:

1. Basics in echocardiography
2. Morphology of heart and its correlation with echocardiography
3. Echocardiography in congenital heart diseases
4. 'Hands on' Training
5. Newer concepts in echocardiography
 - a. 3-Dimensional echocardiography
 - b. Tissue Doppler Imaging
 - c. Transesophageal echocardiography
 - d. Fetal echocardiography
6. CD of presentations and handouts
7. Certificate of Attendance

Please let us know your interest in joining this programme. Only a limited number of practitioners will be registered. **Registration fee is Rs.7500/- (USD 200)** which includes lunch and tea breaks. Accommodation, if required, will be arranged against payment.

With sincere regards,
